CONDITIONS OF SALE:

BUYER ASSUMES ALL RESPONSIBILITY FOR USE, STORAGE, HANDLING AND DISPOSAL OF THIS PRODUCT WHEN NOT IN ACCORDANCE WITH LABEL DIRECTIONS. UAS of AMERICA AND ITS DISTRIBUTOR'S LIMIT OF WARRANTY EXTENDS ONLY TO REPLACEMENT OF DEFECTIVE PRODUCT.

To ensure compatibility with foreign spray mixes, a jar compatibility test is recommended before mixing with other products other than water in the tank.

It is recommended not to use this product with fungicides or pesticides. However, if applied with a fungicide or pesticide, it is the users responsibility to conduct a trail application on the crop(s) to be sprayed with this mix of chemicals to determine compatibility of products and compatibility with crop(s) sprayed. When mixing with other spray materials a jar compatibility test is recommended. Always read label instructions.

Disclaimer

A LIQUID N-P-K FORMULATIONS with a superior edge over the competition. To a high Quality NPK, in this not mix homogenized NPK formulation, we also use only the best natural nontoxic food grade raw materials in this product. Agrifinfotech standardizes its manufacturing process to go through a series of control steps to accomplish the end result. With each step we carefully monitor and do quality control tests to ensure that all times, the end results with a highest quality product. We also do quality checks on raw material before formulation as safeguards. We have taken our industry into the future through our quality control testing of this product. With these inspections, we always guarantee the end user a uniform high quality product. Storage: Keep container sealed tightly when not in use. Do not expose to sunlight for long periods of time. Store in temperatures between 5 C (41 F) and 25 C (77 F).
